COURSE DESCRIPTION

Spanish 4 and 5 are consecutive intermediate courses in Spanish language and culture. The intermediate series is designed to help you to continue to increase your ability to communicate in Spanish. You will continue to acquire cultural competence and you will be introduced to the study of literature. By the end of the course you are expected to:

1. comprehend conversations on familiar topics and stretches of connected discourse,
2. read texts several paragraphs in length with minimum use of a dictionary,
3. write with increased grammatical accuracy and good control of sentence structure as well as a sense of paragraph coherence and text organization,
4. talk about past, present and future events, and express preferences, feelings, beliefs and opinions.

Spanish 4 and 5 are conducted completely **in Spanish**.

Spanish 4 and 5 are delivered in a blended format. You are required to attend face-to-face class meetings **three (3) hours** per week. You are also required to complete **two (2) hours** per week of work assigned, on-line, through My Spanish Lab. The two hours of on-line work are included in the required contact hours for the course. Failure to complete the preparation work and spend the 2 hours online will affect your grade and greatly affect your ability to achieve the learning outcomes in the course.

The on-line portion of the course is required and you **must** have access to a computer and the Internet in order to complete the on-line portion. There are several computer labs on campus that have the required hardware and software to complete all of the on-line work.

We recommend the CDH Learning Lab @Rolfe in Rolfe Hall 2118. Please follow the link for a current schedule of drop-in hours. <http://www.cdh.ucla.edu/labs/>

***Please note:**

Technical difficulties with personal computers and/or Internet access or the MySpanishLab program will not be accepted as excuses for not completing the on-line portion of the course by the deadline.

Technical difficulties with MySpanishLab are not the responsibility of the instructor. **Your instructor will not be able to offer you technical support for MySpanishLab.** Because the on-line portion is such an important part of the course, do not delay in setting up your MySpanishLab access and contact Pearson customer service immediately if you are having any problems. <http://247pearsoned.custhelp.com>.

***Note** about materials and technology in the classroom: All students are required to purchase the student textbook for in-class use, as well as on-line access (through MySpanishLab) to complete the required assignments outside of class. Your instructor will provide you with an individual course code on the first day of class. The course code will enable you to enroll in the correct section of MySpanishLab.

Each individual instructor reserves the right to determine whether or not personal electronic devices may be used during class; this includes laptops, Ipads, tablets, cell phones and other electronic devices. Please check with your instructor to confirm his/her personal policy.

CLASS DYNAMICS

Class time will be dedicated to communicative activities in Spanish. You should come to class prepared to participate and to enthusiastically engage in a variety of activities in groups and pairs. You will be introduced to new language and cultural information through the on-line preparation activities. In class, your instructor will provide opportunities to listen, speak, read and write in Spanish. Class time will not be devoted to lengthy grammar discussions or mechanical or repetitive grammar drills. It is your responsibility to complete the preparation activities prior to class as well complete any other exercises assigned by your instructor in MySpanishLab and on the Moodle class page. If you need additional assistance with specific concepts you should see your instructor during office hours.

WORKLOAD

Please note: Because this is a hybrid course, the preparation activities assigned in MySpanishLab are required contact hours, which are part of the hour/unit count for the course. Your instructor will also assign additional assignments and you are expected to study beyond the preparation assignments.

Each class will require approximately two to three hours a day of careful and systematic preparation and studying. Without sufficient time and solid study skills/habits, you will struggle to pass this class. You are strongly advised to evaluate your own situation carefully **before** deciding to stay in the class.

EVALUATION AND ASSESSMENTS:

| | |
|---------------------------------|-----|
| Preparation and Practice | 15% |
| In-Class Participation | 15% |
| Listening and Reading Exams (2) | 20% |
| Written Exams (2) | 30% |
| Oral Exams (2) | 20% |

Preparation and Practice: MySpanishLab

You are required to complete all of the assigned tutorials and apply activities in MySpanishLab, as indicated by your instructor, by the due date. Not completing the assigned activities will greatly affect your ability to participate in the in-class activities. **No late MySpanishLab work will be accepted.**

In-Class Participation

Active participation is essential to the successful completion of this course. You are expected to demonstrate your willingness to participate in pair and group activities in class. You must come to class prepared (having completed the assigned preparation activities). If you do not prepare before class and participate actively in class, it is **highly unlikely that you will acquire the necessary skills to pass the course**. Your instructor will evaluate your participation on a weekly basis. If you are not in class, you will not receive participation points for that class period.

For this reason, if you have other obligations that will require you to miss more classes, for example: internships, MCAT, LSAT, interviews, personal events such as weddings or, anniversaries, or you have planned surgery, travel or other activities that will require you to miss any class periods, **you should not enroll in this course**.

Listening and Reading Exams

There will be **2** listening and reading exams. The listening and reading exams will be delivered **on-line** through MySpanishLab. You **must** have access to a computer and the Internet in order to complete the on-line exams. You will be monitored via *Respondus* software during your exam. There are several computer labs on campus that have the required hardware and software to complete the exams. Whether you complete the exams on campus or on a home computer, you **MUST** verify the functionality of hardware and software prior to beginning the exams. Once started, on-line exams **will not** be reset for any reason. Once the on-line window has closed, you will not be able to take the exams.* **No exceptions.**

Written Exams

There will be **2** written exams. You will have the opportunity to complete many written assignments and activities in class and through MySpanishLab throughout the quarter. The written exams will be administered in class, twice per quarter, as indicated on the course calendar. You will be expected to respond to a written prompt and demonstrate reasonable proficiency for the level by using the structures, vocabulary and formats presented in the class up to that point. **There will be no make-up exams.***

Oral Exams

There will be **2** oral exams. You will be provided formative feedback on your daily oral performance throughout the quarter. You will also engage in communicative activities and situations in class on a daily basis. Your overall achievement in oral proficiency will be evaluated twice per quarter. The oral exams will consist of situational topics, very similar to those carried out in class, provided to you at the time of the exam. The oral exam must be completed in groups during the designated class periods or during your instructor's office hours. **There will be no make-up exams.***

*Personal obligations such as work, travel, internships, LSAT, MCAT, club sports, scheduled medical or dental procedures, etc. are not considered valid excuses for missing exams. If you have any time conflict because of your personal schedule, a make-up exam will **NOT** be scheduled. If you cannot take the exam on the date scheduled, you should **not** take this course this quarter.

Please note: If an exam is missed due to a **documented legal or medical emergency of your own**, you must present the appropriate documentation to your instructor **no later than 48 hours** after the absence. No documentation will be accepted after 48 hours.

Please read carefully: Personal obligations which may include, but are not limited to: travel study, conferences, participation in club sports, internships, training, employment, scheduled medical or dental appointments or procedures, MCAT, LSAT or other examinations, interviews, personal events such as family weddings, anniversaries or vacations, will **not** be considered as excused absences for participation, on-line or written exams or oral exams. If you miss an exam for **ANY** reason other than the documented emergencies mentioned above, you will receive “0” on that exam. There will be no exceptions to this policy. **Please check the course calendar carefully to make sure you do not have any conflicts. If you have unavoidable personal conflicts, you should not enroll in Spanish 4-5 this quarter.**

COURSE GRADE

The final course grade will be based on a percentage system of the points accumulated during the quarter, according to the following scale:

| | | | |
|-------------|------------|------------|----------|
| 100-98 = A+ | 86-83 = B | 72-70 = C- | 59-0 = F |
| 97-94 = A | 82-80 = B- | 69-67 = D+ | |
| 93-90 = A- | 79-77 = C+ | 66-63 = D | |
| 89-87 = B+ | 76-73 = C | 62-60 = D | |

Please note below the criteria for passing the course. There will be no exceptions.

For P/NP grading (undergraduates), **P = C (73) or better.**

For S/U grading (graduate students), **S = B (83) or better.**
